Centro Astalli and our school:

Our students met some refugees from African countries at war, they were political refugees and told their tragic stories and experiences in a foreign country. As a follow up some of our students put themselves into the refugees shoes and invented stories with which they took part in a writing contest and our student Claudia Compagni was awarded an important prize.

Liceo Touschek STANDS WITH MALALA

For two years we have been committed in a campaign in favour of Malala Yousafzai, the Pakistani teenager activist who has been fighting for girls education and human rights, since she was shot by the Talibans and survived the attack.

A group of students is presently engaged in supporting her projects, they have opened a Facebook page in which they campaign to involve other people in petitions , as well as to foster reading as a way of opposing the violence of Talibans.

This is their Facebook page “High School B. Tuschek Stands with Malala”.

Furthermore they regularly publish their works on a Pinterest page dedicated to Malala
