What does entrepreneurship mean?

Being
entrepreneur

Being
innovative

Being
creative

The **entrepreneur** is a person who organizes and manages any enterprise, especially a business, usually with considerable initiatives and risks.

**KEEP
CALM
AND
BE AN
ENTREPRENEUR**

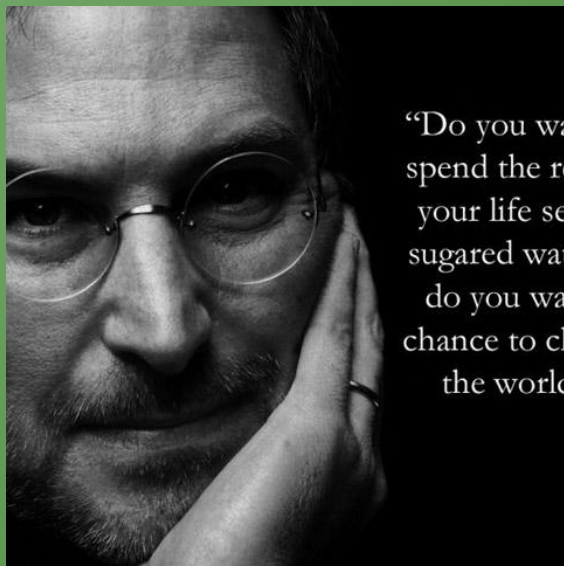

**Entrepreneurs
replace "I wish"
with "I will"**

❖ They are the innovators

❖ They create **jobs** and
wealth in a society

❖ They are **the engine
of the world!!!**

“Do you want to spend the rest of your life selling sugared water or do you want to change the world?”

Steve Jobs

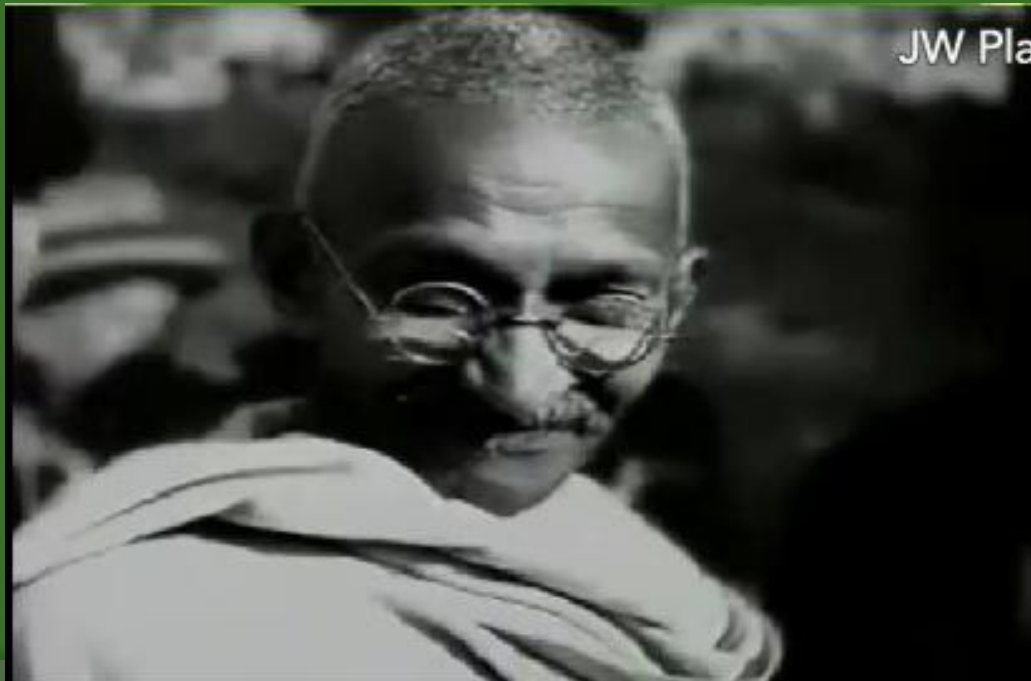

- ❖ A genius
- ❖ A creative person
- ❖ An entrepreneur

" Do you want to spend the rest of life selling sugared water or do you want to change the world? " – S. Jobs

An Apple's spot, a quote from Gandhi

Here's to the crazy ones... The rebels. **The ones who see things differently**... You can praise them, disagree with them, quote them, disbelieve them, glorify or vilify them. About the only thing you can't do is ignore them. Because they change things. They invent. They imagine. They heal. They explore. They **create**. They inspire. They push the human race forward...

Play video

The future is:

- ❖ Entrepreneurship
- ❖ Creativity
- ❖ Change

How can we learn to think different?

Any ideas?

- ❖ How can schools teach entrepreneurship?

Time bank

Time Bank is a type of association based on the free exchange of "time".

This particular activity involves people of different ages, social and cultural backgrounds.

Objectives

- ❖ **Promoting** exchange of services aimed to the satisfaction of both practical needs, the needs of cultural enrichment and the widening of social relations
- ❖ **Facilitating** the conciliation of both work and the family's care

❖ **Enhancing** skills and vocations that would otherwise remain unexpressed, supporting pathways to strengthen the self-esteem

❖ **Organizing** moments and spaces of encounter, communication, inter-generational and inter-cultural exchange

❖ **Contributing** to the overcoming conditions of isolation, loneliness, social and cultural exclusion

BANCA DEL TEMPO - COME FUNZIONA

BANCA DEL TEMPO DI GROTTAFERRATA - UN'OTTIMA SCELTA

Time Bank

Sara prepares leaflets for **Giulia's** music lessons, in exchange for drama lessons

Giulia gives music lessons, in exchange for **Luca's** care for her garden

Gaia makes a cake for the association of young people, in exchange for **Miriam** leading her dog

Rita gives car lifts, in exchange for Spanish lessons

Many people have already joined the **TIME BANK**. What are you waiting for?

Giovanni cleans **Mara's** garden, in exchange for photography lessons

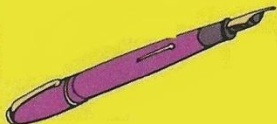

Fatima mends, in exchange for a lift to the market

Davide paints **Elisa's** room, in exchange for French lessons from **Rebecca**

Francesco teaches how to work with wood, in exchange for **Marco** writing an article about his hobby

The association of young people cleans the gardens in exchange for a guide for the lake tour

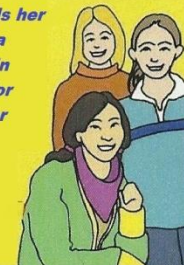

Matteo earns credits by teaching to play football in exchange for **Lucia** ironing his shirts

Mary teaches to use the knitting in exchange for learning how to use the computer

Anna spends her credits for a babysitter in exchange for shopping for **Roberto**

How can we realize TIME BANK in our school ?

It will be our future challenge

School Project

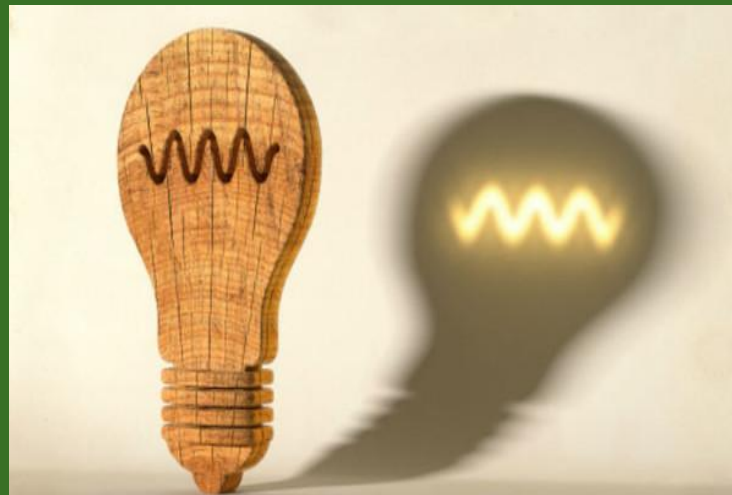

❖ *Open study* in our library in the afternoon

This activity is based on the reciprocal help among students!

Francesco knows English very well and he will help Luca; in exchange Luca, who is very good at Maths will give Francesco, who needs extra work, some lessons!!

Some more innovative IDEAS

**MAKE:
TECNOLOGY ON YOUR TIME**

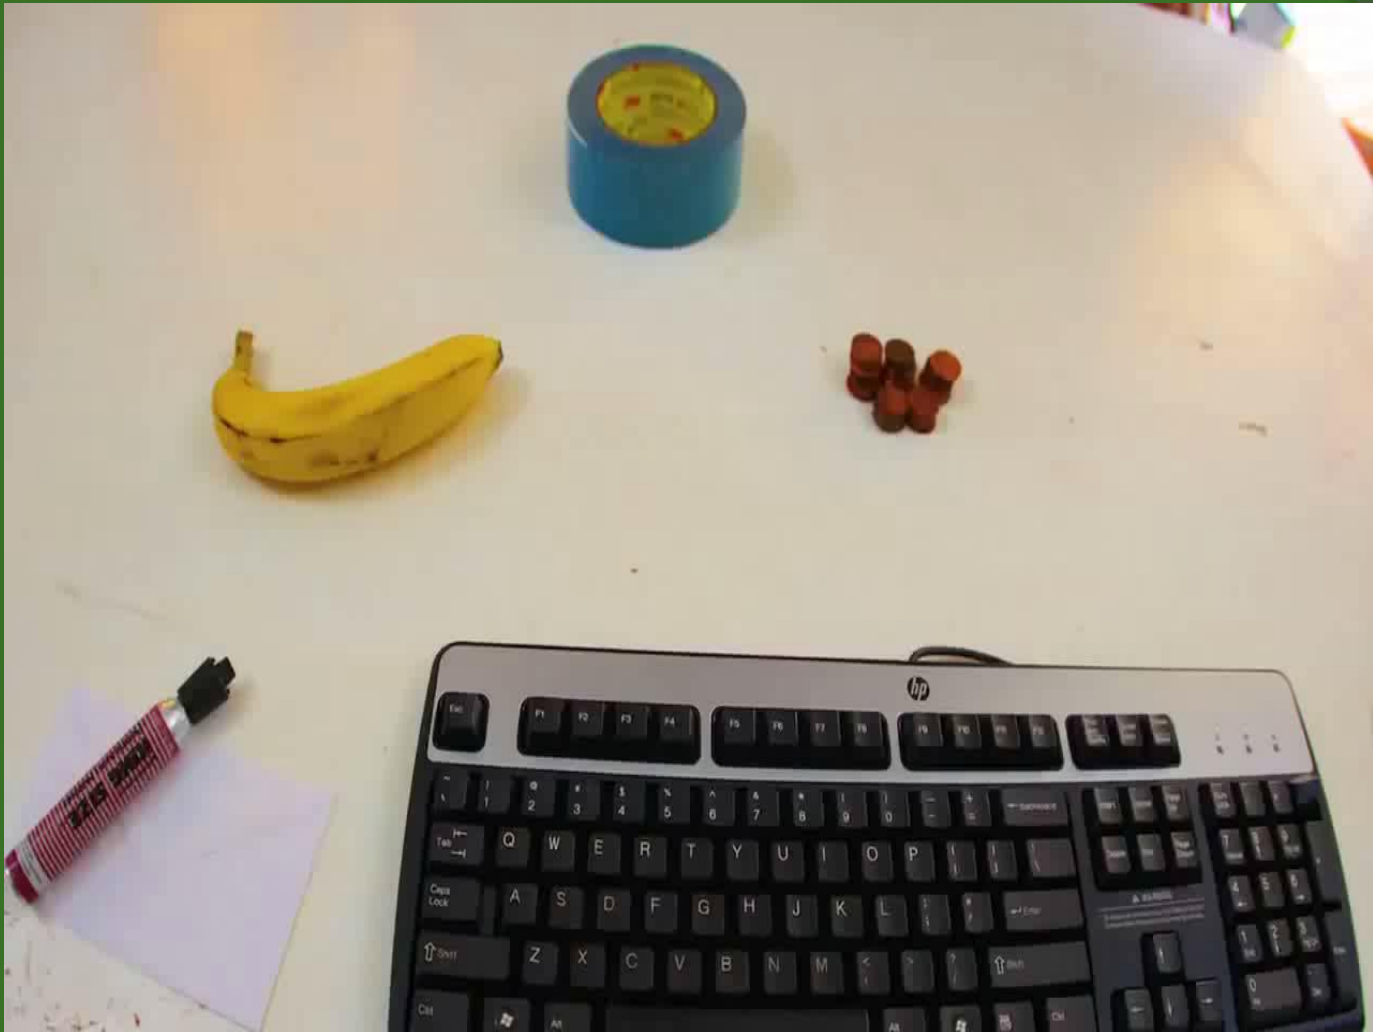

What is the makers movement?

The maker movement is a trend in which individuals or groups of individuals create and market products that are recreated and assembled using unused, discarded or broken electronic, plastic, silicon or virtually any raw material and/or product from a computer-related device. This process also allows to save money, time, resources and...

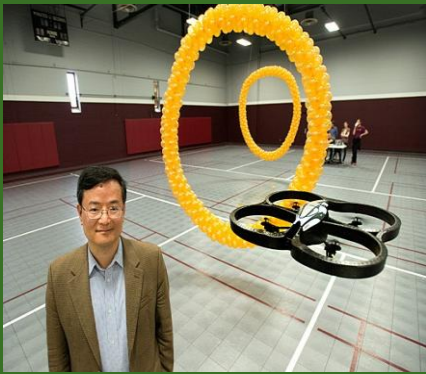

... for example a
KEYBOARD.

Play video

Who are the makers?

Could be defined hobbyists technology of the 21st century. They are interested in technology, design, art, sustainability, alternative business models. Live online communities, open source software and hardware, but also the dream of inventing something to independently produce, to live their inventions.

MAKERS

Sustainability in makers movement

The maker movement has led to the creation of a number of technology products and solutions by typical individuals working without supportive infrastructure. This is facilitated by the increasing amount of information available to individuals and the decreasing cost of electronic components.
